SCHOOL BOARD POLICY

The Sooke School District recognizes its obligation, consistent with the *School Act* and relevant provincial legislation, to provide an educational program for all students of school age resident in the School District. It is the goal of the Board to offer programs promoting excellence in instruction and optimal achievement for all students.

The Board may support school, District or community initiated educational programs, including specialty academies, that bring a particular educational emphasis to student talents or to particular student needs, within the parameters of provincially prescribed and/or Board authorized curriculum.
