

School District #62 (Sooke)

DISTRICT AWARDS	No.: C-242
	Effective: Nov. 24/81 Revised:

SCHOOL BOARD POLICY

The Board supports the Provincial District Awards Program which provides scholarships to students who achieve a high standard of excellence in fields other than academic. These awards are equal in value to the Provincial Scholarship Awards for which students compete by writing government examinations in the academic subjects. The Provincial District Awards are provided for the express purpose of assisting students to further their education in vocational, technical and fine arts fields at approved post-secondary institutions.
