

School District #62 (Sooke)

FUND-RAISING	No.: D-205
	Effective: June 27/06 Revised:

SCHOOL BOARD POLICY

The Board of School Trustees believes that:

School fund-raising activities should enhance the educational program and/or have educational, athletic or cultural value.

Students and the schools should not be viewed as a "captured" market for sales and canvassing activities.

Principals will be given discretionary authority for approving fund-raising ventures and will be accountable for their decisions. In making their decisions, Principals will have the support of the Parent Advisory Council for each fund-raising project.
