

School District #62 (Sooke)

MANAGEMENT OF SCHOOL DISTRICT PROPERTY	No.: F-222
	Effective: Nov. 28, 2006 Revised: Mar. 11/08

ADMINISTRATIVE REGULATIONS

Development of School Buildings and Site Locations

Regarding school placement, design and major renovations, the Sooke School Board wants to ensure:

- a consultative design process including parents, students, staff, community at large and representation from municipal governments.
- opportunities for shared resources with municipalities and other community organizations.
- an open public process subject to privacy, confidentiality or competitive advantage issues.

Disposal of Unused School Facilities and Land

- The Sooke School Board may dispose of unused school facilities and land, separately or in combination.
- Disposition of unused facilities or land will only be considered if it is clearly established that the property concerned is surplus to the long-term educational needs of the District.
- Disposition of facilities or land shall be in accordance with Policy F-223.
