

School District #62 (Sooke)

CHANGES TO BUILDINGS AND SITES	No.: F-235
	Effective: Mar. 27/84 Revised:

SCHOOL BOARD POLICY

The Board recognizes that on occasion the District will receive requests to alter or add to district buildings an/or its sites beyond those changes proposed in its regular facilities program. To ensure that building and site changes are well planned, that student and teacher health and safety are protected, that the Board and its employees are protected from allegations of negligence, and that subsequent costs to the District are minimized, the Board requires that the attached regulations be adhered to by affected parties.
